CONSTELLATION

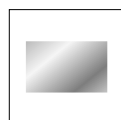

Constellation 5502

FEATURES

PRÉSENTATION

On the CONSTELLATION model, four wooden elements coated with a fine silver layer catch and reflect the light around the mirror. Its LED backlighting shifts from a soft, relaxing atmosphere, ideal before sleep, to a bright, energizing mood in the morning. Switched off, it is a clean mirror suited to modern and contemporary bedrooms. Available in a very wide choice of materials, colors and sizes. Made in France.

Sur le modèle CONSTELLATION, quatre éléments en bois recouverts d'une fine couche d'argent captent et reflètent la lumière autour du miroir. Son rétroéclairage LED passe d'une atmosphère feutrée et relaxante, idéale avant de dormir, à une ambiance vive et tonique au réveil. Éteint, c'est un miroir épuré qui convient aux chambres modernes et contemporaines. Réalisable dans un très grand choix de matières, de coloris et de dimensions. Fabrication française.
