NOCTURNE 4310

NOCTURNE is a smaller take on our signature LUNA model: a round mirror TV 135 cm in diameter, in a limited edition. Its circular shape softens the lines of the bedroom, on a chest of drawers or a sideboard facing the bed. Switched off, it is a large round mirror; switched on, a 32" or 43" screen, well proportioned for a bedroom. Made to measure in France.

NOCTURNE reprend en format réduit notre modèle emblématique LUNA : un téléviseur miroir rond de 135 cm de diamètre, en édition limitée. Sa forme circulaire adoucit les lignes de la chambre, sur une commode ou un meuble face au lit. Éteint, c'est un grand miroir rond ; allumé, un écran de 32" ou 43". Finitions et coloris sur mesure, fabrication française.
